

VETS 4 KIDS GOLF TOURNAMENT

The American Legion was founded on the principles of Four Pillars, one of which is Children & Youth. This pillar of service is guided by three objectives: to strengthen the family unit, to support quality organizations which provide services for children and youth, and to provide communities with well-rounded programs to meet the physical and educational needs of young people.

This year's golf tournament is dedicated to the children we serve. Your donation and participation in our golf tournament will raise much needed funds to support the causes we care most about. These programs include sponsoring young men to attend Boys State, one of the most respected and selective educational programs of government instruction for high school students. We also sponsor young women to attend Girls State, a similar program facilitated by the American Legion Auxiliary. We actively support the Southern California Special Olympics, the Law Enforcement Torch Run, and the Young Marines, a program which strengthens the lives of America's youth by teaching the importance of self-confidence, academic achievement, honoring our veterans, community service, and living a healthy, drug-free lifestyle.

Registration Information

Players are encouraged to create their own foursome, however, we will accommodate a single or double and create a group for you.

\$120 per Player
